FROM THE EDITOR

Thank you to everyone who responded with feedback about the new look newsletter. Judging by this feedback, it appears that the new format is a huge success.

If you can think of anything to improve or enhance the newsletter, please let the committee know. We are more than happy to consider any suggestions put forward.

Remember, to keep the newsletter as informative and interesting as possible, we need your assistance.

To assist everyone with ideas for submissions, we thought we would introduce a theme based on the previous month's meeting and "Where was I?" and "Where am I?" from the previous month's newsletter.

So this month we are asking:-

- Does anyone have any memories, photos or further information about any of the characters of Wynnum spoken about by Les Greenhill at the April meeting?
- Or what about their recollections or photos about the Wynnum Wading Pool which Myrtle talked about?
- Or perhaps further information or photos about Henry Hase from "Where was I?"

Please don't be shy. We would love to hear from you so please contact any of the committee members who are more than happy to chat to you or to accept any written submissions and/or photos for inclusion in next month's newsletter.

On a personal note, I would like to thank Alun Morgan for coming forward and answering my plea for tips on writing the "Liddle Family History".

My plea for this month – I was reminiscing with my mother-in-law about the old local bus that used to wind its way from Lota, through the streets behind Manly West State School and over the other side of Manly Road in behind the Manly Bowls Club and then over to Wynnum. This was back in the late 1960s / early 1970s. Mr White was the driver. Can anyone remember the exact route the bus used to take or have any information or photos of Mr White and/or any photos of the buses used?

Sandy Liddle
Newsletter Editor

The deadline for submissions for the next newsletter is Sunday, **8th June 2008**.

FROM THE PRESIDENT

This is my second report for the new look newsletter. I would like to praise Sandy Liddle, our newsletter editor, for all her hard work. The newsletter now provides more information on events, profiles of people who work for the Society and encourages our members to contribute. I hope you all find some time to do so. At our last committee meeting, we decided to form a sub-committee for tours. The committee has met twice and has begun work on organising the program for the year. Jan Parnell and I travelled to Caloundra last week to finalise details for the field trip on June 28th.

During the day, we met Roger Todd, an architect and local historian. He was instrumental in saving the old Caloundra Lighthouse and having it returned to its original site. Roger has kindly consented to be our guide for the morning and will show us some of the historical sights of Caloundra as well as organising a visit to the lighthouses, both old and new. After lunch, we will have a cruise in the Pumicestone Passage. It promises to be a good day.

The Resource Centre is a great place to visit or to help out. Last time I did duty there, a couple from Lota came in and we had an interesting talk about the history of Lota. I have added them to my list of people to interview. Also, a lady came in who was concerned about the removal of concrete steps near the old Nuns' Bathing Boxes at Wynnum. (To date they are still there). I recently took a walk along the beachfront in that area and I have noticed that, while some repairs and improvements have been undertaken, many of the spits are in need of restoration work. The stone sea wall and other associated constructions are an important part of our history and need to be preserved.

On Saturday 17th May, there is to be a Local Mini Community Fair held outside the library from 9am-2pm. There will be displays, storytelling, speakers and refreshments available. The Resource Centre will be open. A plaque on the historic cannon will also be unveiled. Members of the Wynnum Manly Historical Society are involved in this event and I hope many of you can attend.

Brian Brandenburg
President

142 -144 Bay Terrace Wynnum.

The original house is behind the shops and Woodforth's Arcade is joined onto the southern end.

Henry Bernard Hase and the Hase Block

Henry Hase was born in Bairnsdale, Victoria on 14 April 1900. He first appeared in Wynnum, as a dentist on Bay Terrace, in the Post Office Directories of 1924, and a little later on the Electoral Roll, together with his wife, Lillie Isabella. (born in 1908).

Henry appeared to have two locations on Bay Terrace until 1930, when a dentist, J B Donnelly replaced him in the business between Charlotte and Florence Street, opposite Moreton Bay Girls High School.

From 1930 onwards Harry seems to have operated from a house between Edith and Clara Streets, opposite, and just north of, the Post Office.

Henry Bernard Hase, LDS., BDS., enlisted in the Australian Army on 10 June 1940 and served until 10 October 1945, reaching the rank of Major. At his discharge he was posted at 102 Australian General Hospital.

The Hase Building.
This row of shops had been built on Bay Terrace, in front of Hase's house, by May, 1954.

Optometrist, L G Worfold, practiced here from November 1954, before moving to the Valley in November 1955. The pharmacy of F J Watson re-located here on 1 December 1954 from a property directly opposite, on the other side of Bay Terrace. Vern Williams opened his "New Ladies Salon" (Entrance next to Bertram's Frock Salon), "specializing in the latest styles, Ladies Trimming, Shaping and Razor Cutting", in March 1956. Joan Morris (nee Etchell) moved to the Hase Building from Queen Street in April 1956 to "specialize in cold waving".

1957 saw the arrival of W G Cafferky who was the Agent for a variety of products. In March he advertised Venetian Blinds, with "low deposits and easy terms". In April he added "Massey" Bicycles. In May, he re-strung tennis racquets and carried all tennis requirements. By July 1957 he was selling "Cyclops" toys.

In September 1957 Leith Sinclair, Solicitor, was "in attendance in the Hase Building on Saturday mornings". Dr G Boyd commenced practice in the Hase Building in April 1958 and Hope Hildyard, MA.SSCh Chiropodist in June 1958.

Henry seemed to be a person involved in sport and had many interests in the community. In 1940 he was playing golf. In 1946, he was a subscriber to the Darling Point Skiff Flying Squadron. He played in the Wynnum Tennis Association 2nd grade in 1948. He was a keen bowler and President of the Wynnum Servicemen's Bowls Club in 1949.

In 1952 Harry donated £5/5/0 at the opening of Guardian Angels School (Mind you Archbishop Duhig donated £20 and the Capuchin Fathers of Wynnum North donated £50.) Henry belonged to the Catholic faith. This is further substantiated, as his daughter, Elaine married Dr Allan Graeme Taylor at the Holy Rosary Church in Bundaberg on May 8 1953.

Harry was re-elected President of the Wynnum District Kindergarten in March 1954. He was President of the Wynnum and Manly Rotary Club when the Club received its Charter on 10th April 1954. He donated to the Marching Girls in 1958.

In February 1959 Henry was joined in his dental practice by Dentist Coolican.

Harry and his wife moved to 86 Akonna Street in the early 1960's, directly behind his previous house, maybe when he retired.

Henry was buried at Hemmant Lawn Cemetery, Portion 5, Grave 1071, on February 13 1984, aged 83.. His wife, Lillie Isabella, was buried on May 22, also 1984, aged 75 years.

Was anyone one of his patients? Can anyone assist with a photograph or any more information about Harry Hase.

Thank you.

QUERIES

We have a couple of queries this month.

- Does anyone know where **Manly Brook** is? There was a letter to the editor in a recent Herald regarding its excavation.
- **White City** - It seems the area opposite where Love's garage was at the foot of Nelson Parade on the Esplanade at Manly was called **White City**. Markets used to take place there. Later, the building was used by the Manly RSL before it moved to the Progress Hall. Does anyone have any further information about White City?

If you can assist with one (or both) of these queries, could you please pass on any information to either **Myrtle Beitz** or **Jill Greenhill**.

BOOKFEST

Don't forget the Society's annual Bookfest is fast approaching. We are still taking donations of books. These can be dropped off at the Resource Centre or at the meetings prior to the Bookfest. If you would like to arrange for books to be collected, please phone **Ian Wheeler** on **3396 9923**.

- Where is this sign?
- Who was George Coronis?

Leave your ideas or any information at the Resource Centre for Jill or phone 3393 3208.

SPOTLIGHT ON ... Brian Brandenburg, President

I have been a member of the Society for a number of years. Last year I was on the committee as Treasurer.

I have lived in the Wynnum/Manly/Lota area for most of my life. My family continue to live here.

I grew up in a house on the Esplanade opposite Bandstand Park. The house had previously belonged to my grandparents who moved to Lota when Mum and Dad bought the house. I now live in Lota in my grandparents' old house. I went to school at Wynnum Central State School and later Lota State School. I attended high school at Wynnum State High School.

After leaving school, I worked for a few years in the city before I was called up for National Service in 1967. I spent two years in the Army and served in Vietnam.

Following my time in the army, I attended the University of Queensland where I undertook a Bachelor of Arts with majors in History. I also completed a Diploma in Teaching and a Diploma in Teacher/Librarianship.

Prior to taking up a full time teaching career, I worked as an actor with the Queensland Theatre Company for a year with their school touring program. I have also worked in amateur theatre at La Boite, Brisbane Arts Theatre and Savoyards.

I have been employed as a teacher with the Queensland Education Department for over twenty-five years. I worked in high schools teaching Drama, English and History and recently as a Teacher/Librarian in secondary and primary schools. I have been on the committee of the Children's Book Council and I am currently a committee member of the May Gibb's Literature Trust.

As well as being President of the Wynnum Manly Historical Society, I am a member of the Wynnum Choral Society and the Wynnum Writers Group.

I have been spending my spare time writing short stories and researching various history projects. These include a family history and histories of my time spent in the army and at university. I am also collecting oral histories of Wynnum residents. I hope one day to write a children's novel about growing up in Wynnum.

To relax, I like walking and swimming. I also love travel within Australia and to distant places. I have enjoyed the Wynnum Manly Historical Society tours and look forward to many more.

The Sinking of HMAS "Sydney II"

This contribution was researched after an initial statement by a member that one of the crew of HMAS "Sydney" came from Wynnum.

HMAS "Sydney"
in Sydney Harbour
in 1940

The ship, a modified Leander Class Light Cruiser, was built by Swan, Hunter and Wigham Richardson Ltd at Wallsend on Tyne, England. She was laid down for the Royal Navy as "Phaeton" on 8 July 1933, but was purchased by the Australian Government and launched as "Sydney" by Mrs Bryce, wife of the Australian High Commissioner for United Kingdom on 22 September 1934. She was named in memory of the earlier "Sydney" that destroyed the German cruiser "Emden" in 1914.

The ship was commissioned at Portsmouth on 24 September 1935 and spent the early part of her life in the Mediterranean, not reaching Australian waters until 2 August 1936. Here she stayed until the outbreak of war when she returned to the Mediterranean via Colombo to serve with the Mediterranean Battle Fleet.

On arrival back in Australia in January 1941 she received a hero's welcome. After a refit she took up escort and patrol duties off the Australian coast under the command of Captain J Burnett RAN. On 17 November she was returning to Fremantle from Sunda Strait, Java, having escorted the "Zealandia" on part of her way to Singapore. "Sydney", was expected home on 20 November. She did not arrive but there was no immediate concern. But by 23 November, she was instructed to signal. There was no reply.

The story of her fate came from the interrogations of survivors of the German Raider HSK "Kormoran". On 19 November the "Sydney" sighted, what appeared to be, a merchant vessel the Dutch "Straat Malakka". Receiving messages that the vessel was in distress, the "Sydney" ventured too close and the disguised "Kormoran" opened fire and the first salvo probably destroyed her bridge. The "Sydney" immediately responded but was too close to the "Kormoran" and her first full salvo passed over the vessel without inflicting any damage at all. Intense firing continued, both ships were on fire, engines broke down and both had received mortal blows. The "Sydney" limped southwards and was last seen by the Germans on the skyline at midnight, when all traces of her disappeared. The Germans abandoned ship to be rescued on 24 November by the British tanker "Trocas" bound for Fremantle. The transport "Aquitania" had also rescued 26 Germans from a raft on the previous day. Other life rafts were found, resulting in 317 men of the "Kormoran" surviving.

Edgar Norman Hooper, Service Number B2735, enlisted in the Royal Australian Navy on 3 September 1940. He was 19 years old, being born at Boonah, Queensland on 24 September 1921. He had lived in Roma, address was c/- The Royal Hotel.

His parents, Isabel and Norman Hooper first appeared on the Electoral Roll in Stratton Terrace Wynnum in 1937. Father, Norman, was a Clerk but he may have died by 1940 as mother, Isabel is listed as Edgar's next of kin.

HSK "Kormoran"

Able-Seaman Edgar Norman Hooper died in the Indian Ocean when HMAS "Sydney" which sank on 20 November 1941.

NEWS about the HERITAGE BUS TOURS

HERITAGE BUS TOUR - Saturday, 28 June

Planning for the next heritage bus tour has now been finalised.

The bus will be departing from the Civic Centre, Wynnum, promptly at 8am en route to Caloundra. We will be stopping for morning tea in the Glasshouse Mountains before arriving in Caloundra.

Upon arrival in Caloundra, we will be having a guided tour of the area courtesy of Roger Todd, a local historian in the area. The tour will take us to both the old and new Caloundra lighthouses.

Lunch will be at the Kings Beach Tavern. Following lunch, we will be heading to the Caloundra Wharf where we will board a boat for a pleasant one and a half hour tour of the Caloundra waterways and the Pumicestone Passage. The bus will be meeting us at Pelican Waters wharf where we will then embark on our return trip to Wynnum.

Our anticipated arrival time back in Wynnum will be approximately 4.30pm.

The cost of the bus trip is \$25.00 and bookings are now open at the Resource Centre, at the meetings or by phoning our Events Coordinator, Myrtle Beitz.

Demand is expected to be high for this bus tour so make sure you book early to avoid disappointment.

Lunch is an additional \$10.00 which covers the cost of a two course meal. The lunch will be either battered fish or roast and desserts are pavlova and cheesecake. If you have special dietary needs, can you please let us know at the time of booking for the tour.

BREAKING NEWS FOR FUTURE HERITAGE BUS TOURS

Due to the sharp increase in the price of fuel, the bus hire cost has risen substantially. Therefore, the Caloundra heritage tour is being subsidised in part by the Society.

Because of the increase in the cost of bus hire, this unfortunately means that the cost of future bus tours will need to increase to **\$30.00** per person to make it viable for the Society to continue running these very interesting tours.

We apologise to members for having to pass this cost onto you and trust that you will understand the Society's position in this regard.

DATE CLAIMER – Saturday, 4 October NEXT HERITAGE BUS TOUR

Mark this date in your diaries. The next heritage bus tour is now in the planning stages and is scheduled to take place on Saturday, **4 October**.

Further details will be available in the near future.

STANTHORPE train trip - August 2008 - VERY IMPORTANT MESSAGE FOR THOSE BOOKED

For those coming on this great weekend train trip to Stanthorpe, please note that your payment **in full** will need to be made on or before **15 May 2008**. If you envisage a problem paying by this date, can you please contact **Brian Brandenburg** immediately.

MEMBER PARTICIPATION

A plea from your Events Coordinator, Myrtle Beitz

I am responsible for coordination of the speakers for each General Meeting and also the Supper Roster.

Speakers

As you can imagine, it becomes quite a task to find local speakers of interest and ones who will not entail a substantial cost to the Society. Input by some members has been very helpful. We wish to keep the program informative and interesting. Please - if you can help by presenting a talk or make a suggestion as to a topic and a person to present same, please give me a call on 3396 4711 or email me at events@wmhs.org.au. I am happy to make contact with anyone you can suggest.

May I remind members that all our talks are taped and recorded in writing and that they, like any books held at the Resource Centre, are available for loan.

Supper Roster

I am very grateful to those who have supplied supper over the years. Having a cuppa at the end of our meetings creates a time of fellowship which is enjoyed by us all. The saying 'many hands make light work' is applicable under this heading.

Many generous people double up on the roster. Maybe this is one way **you** can participate in the running of the meeting. It is not an arduous task and it is not the intention to have a cooking competition. There are three persons rostered to bring a plate (with something on it to eat of course) to the meeting. I will give you the names of the other two so you can liaise with them. Any cost can be claimed if you so desire.

The setting up of the cups etc is done in the afternoon by other faithful members and if you are not able to serve the tea on the night, then that is not a problem. There are others who will step in to take care of that. The main thing I am requesting is assistance in supplying the food.

Your participation will be much appreciated.

Myrtle Beitz
Events Coordinator

LATEST NEWS FROM THE COMMITTEE

Website

The committee is currently working on developing a new website for the Society. Stay tuned for the announcement when the website is operational.

The website will provide access to the newsletters (both current and past issues – commencing with the April 2008 issue). It will also contain links to some other useful websites, information about the Society, a list of publications that the Society has for sale, past speakers' papers, latest news and some histories and photos of the Wynnum Manly district.

Committee email addresses

You will also notice from the committee members' details that there is now a dedicated email address for those committee members who have internet access to deal with Wynnum Manly Historical Society matters. Should you have internet access, and wish to email any of the committee members with contributions for the newsletter or any other information, please do not hesitate to do so via these new email addresses.

We will all be monitoring this email regularly.

Your email address

If you have a current email address, could you please contact our Membership Secretary, Noela Stratton, to confirm that we have your correct email address. If any items or events of interest crop up or come to our attention between newsletters, we would like to be able to email you with details.

If you have email access and would like to receive your newsletter electronically, please let us know. We are happy to still provide you with a printed copy as well should you so desire.

WEBSITES OF INTEREST

Below is a website you may find of interest. If you know of, or hear of, any websites that you think would be of interest to members, please let us know the details so we can include them in the newsletter.

Nambour Chronicle (newspaper) online

<http://www.nambour-chronicle.com>

If you have an interest in the Nambour region then this may be of interest to you. The local North Coast newspaper, *The Nambour Chronicle* (for the period 1903-1953) has been digitised and is available as a download in PDF. Registration is **free** but it is required in order to access and search. I tried it with one of my family names from the area and it brought up quite an array of articles relating to them which appeared in this newspaper during the period. All these articles were all available to me immediately and for free.

WELCOME TO OUR NEW MEMBERS

This month we welcome four new members to the Wynnum Manly Historical Society.

- ❖ Jill Oddy
- ❖ Ian & Anne Hall
- ❖ Enid Brock
