#### A Message from the President

Life never stands still. If we don't move forward, we go backward.

I have no idea where or from whom I first heard these words but it was long ago, probably words of wisdom given to me in my youth.

Jackie Butler has seen eleven years of service with our Society, seven and a half of them as secretary. As she has decided that it is time for her to move on, immediately prior to the last committee meeting she handed in her resignation as secretary. Knowing her publicly expressed views concerning the rights of people's wishes to resign being respected, her resignation was accepted. She will, however, remain a member of the Society.

We thank Jackie for the tremendous contribution she has made to the Society. I am sure there have been very few people who have given so much of their time, thoughts, efforts and themselves to an organization in which they believed. We wish her well, personally, and any new venture she may undertake success. We hope our respective endeavours will be complementary in furthering the preservation of history within our district

Cherrie Nicholson is now our interim secretary. Cherrie has just written two books and organised the Golden Jubilee for Lota Primary School all at the same time. The books are a pleasure to read and the school celebrations will be most successful. She has shown us the high standard by which she has lived and worked and I feel sure this will be carried on within our Society.

Val Jones has resigned as treasurer. We are very sorry to lose the services of such an accurate fiscal recorder. However, Val will still assist the Volunteers where-ever needed. Eris Powell has kindly agreed to fill the position until the next Annual General Meeting.

Brian Turpin is a very busy man and to his embarrassment, pressures of business have prevented him from attending either committee or general meetings for some time. Coincidentally, he handed in his letter of resignation from the position of vice-president on 1<sup>st</sup> August 2002. Being sympathetic to Brian's commitments, the committee regrettably accepted his resignation. Brian will continue to help in any way he can. Myrtle Beitz has replaced Brian as interim vice-president.
