A wheel of the Carron cannon, outside Wynnum Library. The barrel (60756) was cast in 1800 at the Carron Co Works at Falkirk Scotland and the gun was used in the Napoleonic Wars. On 7 April 1862 the ship "Clifton" sailed into Moreton Bay with 12 "24 ponder muzzle loading" cannons, a gift to the new Colony of Queensland from Queen Victoria.

Mega Bookfest Saturday, 2 June 2007 Ambulance Auditorium Tingal Rd, Wynnum

As a fundraiser for the Historical Society, we will be holding a bookfest which will be advertised and open to the public.

We will be using the remaining books from Graham Brown's magnificent collection but would like this to be a major event.

If you have books that you would be willing to donate, please contact Jill or just bring the books to the Resource Centre.

Don't worry if there are too many to carry. We will send someone around with a trailer!
