An extract from the *St Helena Diaries 1897:*

Sat 9 Jan - Prisoner Frederick Kribke reported that he was sick. I gave him oil and rhubarb at 7.00 pm.

Sun 10 Jan - I shifted Frederick Kribke to the hospital at 6.10 am with diarrhoea and pains in the head and tempture (sic) 100.6. At 8.30 tempture down to 100 and at 4.30 pm was 101.2. Pain in head remains.
